

NSLA Membership Benefits

With membership to the National Sober Living Association each member receives the following:

1. Referrals

- * Website – Member home website listed on the NSLA website
- * NSLA provides referrals and information about your homes to potential residents

2. Exposure

- * Advertising – The NSLA has a strong social media presence
- * Will promote member's special events on NSLA Facebook page
- * Places ads in recovery publications and recovery event programs
- * Maintains up to date NSLA website featuring members

3. Training

- * Annual NSLA conference
- * Free regional training/workshops
- * Quarterly e-newsletter

4. Credibility & Respect

- * **Quality Standards** – NSLA members enjoy a positive and highly respected reputation as quality sober living housing providers. Member homes are known to have met the requirements set by the NSLA.
- * **Inspections** – The quality of member homes is assured through yearly inspections.
- * **Ethical** – Member operators and staff sign a Code of Ethics governing conduct toward each other and their residents.
- * **Quality** – Member homes stand out from non-member homes not governed by any set standard of quality.
- * **Certification** – Various legal jurisdictions and service providers recognize the value in referring clients to NSLA certified homes.

5. Advocacy

- * The NSLA monitors political and legal issues that affect sober living homes.
- * The NSLA acts as informed advocate on sober living and recovery issues, and has standing to be heard before legislative, judicial and executive branches of government.

6. Mentorship

- * Access via phone and email to one on one mentorship
- * Networking opportunities with other sober living operators.

7. Access to Affordable Sober Living Insurance
